ADD NEW GEAR

- > select gear type
- > enter brand name
- > enter gear name
- > set the size
- > at what year your gear was manufactured

The screenshot shows the 'Windsport Tracker' app interface. A modal form is open for adding new gear. The form has the following fields: 'Board' (a dropdown menu with 'Brand' selected), 'Name' (a text input field), 'Wave' (a dropdown menu), 'Size' (a text input field), and 'Model year' (a text input field). A red 'SAVE' button is at the bottom of the form. Below the form, a list of gear items is visible, including 'Starboard, Atom IQ - 110i - 2014' and 'Starboard, iSonic - 86i - 2008'. The bottom navigation bar has three icons: 'Sessions', 'Statistics', and 'Gear'.
